Echeruo, Michael J. C. “Tanistry, the ‘Due of Birth’ and Macbeth’s Sin.” *Shakespeare Quarterly*, 23.4 (1972), 444-450.

La Belle, Jenijoy. “‘A Strange Infirmity’: Lady Macbeth’s Amenorrhea.” *Shakespeare Quarterly,* 31.3 (1980), 381-386.

Moschovakis, Nick, ed. *Macbeth*: New Critical Essays. New York and London: Routledge, 2008. This book contains 18 essays on Macbeth, and (in case the library does not yet have the book) I have scanned and posted its table of contents to the course webpage and can have articles of interest duplicated and/or put on reserve in the library.

Other articles not directly on Macbeth but nonetheless of potential interest and/or use to some of you.

Román, David. “Introduction: Tragedy.” Theatre Journal 54.1 (2002), 1-17. This issue also has an article on Macbeth (see “Lemon, Rebecca” above).
